“ *I have heard so many wonderful stories in this last month from all who loved Terry along with Myself, our son Matthew, our daughter Karla, our daughter-in-law Becky and our grandchild Chase.*

As you can probably guess, life with Terry was life lived large. He always made it fun, he thrived on love and laughter.

We all are so very touched by all of you and your support, we cannot thank you enough.

So, on this day, the one month mark since the accident happened, I would like to lite a candle in honor of you, my love. May you rest in peace. xxoo Joanne

“ Joanne, Matt and Karla, Pam, Lee and Kids and My Aunt Barb and Uncle Larry:

Words can not express how sorry my family is for your loss. He is and always will be the cool cousin that I wanted to be around when i was younger and the man that I respected now that I'm older. Going up north this summer is something I will treasure for the rest of my life. Felt like old times when we were growing up as kids (with added special people). Terry was a very loved person, who touched many peoples lives and that was apprent this past week. I will treasure the memories of my childhood up north and the times that I've been able to spend with him and all of you for the rest of my life.

Love

“ The familie(s) of Terry J. Maliskey. Losing someone so young as Terry is tragic and it doesn't make any sense. Although, birth is a beginning and death is a destination, a transition of peace. Our bodies are a shell to the soul. The soul is your connection to eternity everlasting. {You will meet Terry again.} Terry was a rock of strength and loved his family very much. Your faith consists of believing even beyond the power of reason to believe. Hold your memories close and surround them with love as they are treasures of the family bond that can not be broken.
I lived at Leslies for fourteen years. During Christmastime I would bake my homemade cookies and Terry would enjoy the carmalized cookies mostly. Thank you Terry...you were an inspiration to everyone around you. Your Spirit will always be kept alive. My wishes and prayers to the family of Terry Maliskey.

Gods Blessings

“ Dear Joanne, Matthew and Karla,

I'm so saddened to hear of Mr. Maliskey's death. My thoughts and prayers are with you at this time and I'm sorry that I can't see you in person to give my condolences. I moved back to Kentucky when I retired and live there now. I think often of all the children and parents whom I came to know so well in my years as the principal at Pinewood. My memories are fond ones of your family. I still remember and think of those years as happy ones for me.
